

Founded in 1969 as SEG in Krefeld, Germany - grown under Woodward for more than 10 years - ConverterTec is a global specialist in electric power conversion. Since 1995, first variable-speed Concycle® generators and power conversion technology is being used in marine applications, Uninterruptible Power Supply as well as in upcoming wind and solar/PV applications.

As of today we are looking to a legacy of more than 23,000 converter systems in on- and offshore applications, shipped to 47 different countries worldwide, which correspond to more than 45GW.

Our R&D centers in Kempen, Krakow and Sofia as well as our global service hubs support our global customer base on all continents.

## **At the earliest possible date we are looking for a Working Student | Communication Design (M/F/D)**

### **Your Tasks:**

- Design and development of marketing materials, e.g. brochures, flyers, presentations and social media content for our product portfolio
- Coordination with external service providers (e.g. marketing agencies)
- Support with trade fair preparations (e.g. logistics under the direction of a trade fair coordinator)
- Support of market research activities

### **Your Profil:**

- Student who has successfully passed first semesters of studies, which are especially focused on communications design, communications, marketing or similar
- Practical or international experience, e.g. by former internships or semester abroad, is advantageous
- Excellent communication and creative skills
- Advanced skills in using Adobe Creative Suite, here Photoshop and Illustrator
- Driven to succeed in the business-to-business environment
- Fluent English language skills, German is a benefit
- Structured, independent, and detail-oriented working style, take responsibility, and enjoy working in a team

Reinforce our international team and work in a dynamic and interesting technical environment.

With a great deal of innovative spirit and agile development methods, we create solutions for renewable power generation. With us you have many opportunities to do something meaningful and to work closely with colleagues of other functions. At our location, a family atmosphere awaits you.

**We look forward to receiving your application with details of your salary expectations and the earliest possible starting date.**
