## Chopper modules

We offer you the repair of your chopper separately or together with the complete power module.

Chopper modules have a protective function and are used to specifically reduce excess energy from the rotor circuit in the event of network errors.

Turbine Type	Converter Type	Item Number	Description
Eunion 3XM Senvion 4XM	CW2361LF CW2421LF	10-005-723	IGBT STACK MP1T 1BC
